SIMPLIFY YOUR LIFE

La tecnologia che semplifica la vita

Crediamo nell'utilizzo consapevole della tecnologia, un'alleata per migliorare la qualità della vita delle persone. Sviluppiamo il concetto di well-tech nel mondo dell'abitare. Comfort, sicurezza, controllo ed esperienza sono le parole chiave che tracciano il nostro percorso, oltre il concetto di domotica, verso un autentico benessere abitativo. Siamo nati nel 2012, forti delle nostre esperienze nel settore dell'automazione industriale e dell'elettronica. Arricchendo questa competenza, maturata in oltre 30 anni, con la passione per il design, nasce il progetto Ekinex.

We believe in the conscious use of technology, an ally to improve the quality of people's lives. We develop the well-tech concept in the world of living. Comfort, safety, control and experience are the keywords that trace our path, beyond the concept of home automation, towards a true wellness of living. We were established in 2012, building on our experience in the industrial automation and electronics sector. By enriching this expertise, gained in over 30 years, with a passion for design, the Ekinex project was born.

FINISHES & MATERIALS

Around customer needs

Proponiamo elementi distintivi che escono dagli schemi tradizionali per adattarsi o esaltare lo stile degli interni. I materiali e le diverse finiture interpretano con coerenza la personalità di ogni progetto. Scegliere tra la rigidità del metallo o la sensazione tattile del Fenix NTM®, abbinare finiture opache o lucide, personalizzare con icone o testi: scelte personali fatte per creare un oggetto unico.

We propose distinctive elements that break out of traditional patterns to fit or enhance the style of the interior. The materials and different finishes consistently interpret the personality of each project. Choose between the rigourousness of metal or the tactile sensation of Fenix NTM®, combine matte or glossy finishes, customize with icons or lettering: personal choices made to create a unique object.
